The 7th Annual Florida Southern College Strategic MBA Case Competition will take place virtually on **November 14, 2020**. Select schools from across the country have been invited to participate in this exhilarating competition. Participants will have one month to analyze a complex business strategy case and present to a panel of judges. The case will be announced no later than October 6. This is an excellent opportunity for students to hone research, analytical, and presentation skills critical in the corporate world.
