Why Our Fellowship Program?

In Cone Health's Administrative Fellowship Program, postgraduate participants are immersed in every aspect of health care leadership with structured rotations and meaningful work in strategic initiatives. As key members of the leadership team, fellows attend senior executive and Board of Trustee meetings, have access to an executive leader as a dedicated preceptor, build relationships with board members and receive support from a dedicated career coach. The two-year program offers a competitive salary and total rewards for the leaders of tomorrow.
