MKTG6652 Digital Marketing: At the heart of marketing lie the consumer and their marketing journey through the stages of awareness, intent, conversion, and finally retention. In this course, we will learn how digital has revolutionized the interactions between firms and consumers along this journey. The course is designed to provide you a theoretical understanding of the Internet marketplace necessary to adapt to its many changes, while also equipping you with the skills you will need to perform vital daily functions.
