

Miller School of Entrepreneurship
Bachelor of Science (BS) in Entrepreneurship
Admission Process

The BS Entrepreneurship is a 120 hours degree program. Admission includes a competitive application process based on your response to the questions below. Applications will be accepted each spring semester (January-February), and you must have met the following requirements to apply: (1) minimum completed 45 hours, (2) 2.0 cumulative GPA, and (3) completion of the 8 courses below with a C or better (you may be enrolled in some of these course when you apply).

1. MATH 1065 (Math 1064 can be a substitute)
2. ECON 2113 Principles of Microeconomics
3. ECON 2133 Principles of Macroeconomics
4. MATH 2283 Statistics for Business or MATH 2228 Elementary Statistical Methods 1
5. ACCT 2101 Survey of Financial and Managerial Accounting
6. FINA 2244 Legal Environment of Business
7. ENTR 3500 Entrepreneurship Essentials
8. FINA 3500 Money Management for Entrepreneurs

Each question on the application has a point value in determining admission eligibility. Please be thorough in responding to each question (up to 250 words).

1. What is your academic plan for the 18-hour minor or specialty area, and why? Please list the specific courses you intend to complete in your plan.
2. What is your intended entrepreneurial career path? This may include start-up, corporate, social and/or family business. Please provide a detailed explanation that includes both short and long-term goals.
3. Tell us about any prior work experiences that have helped you prepare for an entrepreneurial career path. Please provide details on these experiences.
4. Discuss your involvement in ECU and/or community related extra-curricular activities.

Thank you for your interest in the BS Entrepreneurship degree. Please reach out to the Miller School of Entrepreneurship if you have any questions (252-737-6763 or msoe@ecu.edu).
