### About

What started as a graphic tee shop on Etsy with only 3 designs, has now expanded into a full online women's clothing boutique. In addition to 30 original graphic tees, we also sell dresses, tops, shoes, accessories, and more! We are most known for our holiday graphic tees!

### When did you start your business?

I decided to start the summer going into my junior year of college. I figured it was the perfect time to start establishing something I could carry on after college.
