

GRADUATE PROGRAMS

Our programs are curated to meet the needs of individuals who continue to drive and lift up the hospitality and tourism industries that support so many. 100% online, we give you a strong foundation for career advancement, future doctoral studies and executive and senior-level positions.

Hospitality Management Certificate

Be prepared to craft and deliver innovative solutions that will position hospitality and tourism for the future.

Sustainable Tourism Certificate

A designation that signifies an employee has cutting edge expertise in his or her field and is committed to the sustainable growth of tourism and hospitality.

MS in Sustainable Tourism and Hospitality

A unique program in North Carolina, this program focuses on critical issues of sustainability within the world's largest industry, tourism.

"Our industry continues to grow and needs qualified graduates to fill an abundance of attractive jobs available throughout the US and global marketplace. ECU continues to proactively identify career opportunities of the future."

Gary Snyder, CEO, Compass
